**CODE SECTION:** Administrative Policy and Procedure

**TOPIC:** Repipe Inspections

**PURPOSE/REASON:** Provide department policy

**JUSTIFICATION:** Consistency among inspectors

**INTERPRETATION:** A minimum number of 2 inspections are required for repipe inspections. The first inspection (420) consists of the repipe, insulation, and verifying structural integrity. The second inspection (440) will include drywall and lath inspection (an applicators card is not required for small repairs). If warranted a third or fourth inspection (450) may be required for but not limited to shearwall or fire rated separation wall (party wall w/ 2 layers of drywall) repair, damage to structural members, reinstallation of a water heater or water conditioning system.
